## About the Firm

Fenwick & West LLP provides comprehensive legal services to high technology and biotechnology clients of national and international prominence. We have over 250 attorneys and a network of correspondent firms in major cities throughout the world. We have offices in Mountain View and San Francisco, California.

Fenwick & West LLP is committed to providing excellent, cost-effective and practical legal services and solutions that focus on global high technology industries and issues. We believe that technology will continue to drive our national and global economies, and look forward to partnering with our clients to create the products and services that will help build great companies. We differentiate ourselves by having greater depth in our understanding of our clients' technologies, industry environment and business needs than is typically expected of lawyers.

Fenwick & West is a full service law firm with nationally ranked practice groups covering:

- Corporate (emerging growth, financings, securities, mergers & acquisitions)
- Intellectual Property (patent, copyright, licensing, trademark)
- Litigation (commercial, IP litigation and alternative dispute-resolution)
- Tax (domestic, international tax planning and litigation)

### Intellectual Property Group

Fenwick & West's Intellectual Property Group offers comprehensive, integrated advice regarding all aspects of the protection and exploitation of intellectual property. From providing sophisticated legal defense in precedent-setting user interface copyright lawsuits to prosecuting arcane software patents, and from crafting user distribution arrangements on behalf of high technology companies to implementing penetrating intellectual property audits, our attorney's technical skills enable the Firm to render sophisticated legal advice.
